(Ord. 3, §6(part), 1987)

12.10.020 Obstruction of rights of way.

A. It shall be unlawful for any person to construct any fence or other improvement, to place anything upon, or to plant any hedge, shrubs, trees or other plantings upon any public property, including streets, sidewalks and any part of a street right of way not being used for traffic that would impede or obstruct normal pedestrian traffic or vehicular traffic or would create a traffic hazard by sight barrier to or from motor vehicles, bicyclists, pedestrians, or would create any other safety hazard.

B. If the limitations of subsection (A) above are met along with any other applicable requirements of City ordinances and regulations, the party in lawful possession of property abutting those parts of street rights of way which are not being used for vehicular or pedestrian traffic or other public use may landscape and maintain such portions of the street right of way.

C. No person using public street right of way or other property for any purpose allowed under this Section shall acquire any vested right or interest in any part of such public property by virtue of any such use or the installation and maintenance of improvements or landscaping upon it and shall, upon the demand of the City, remove any improvements, landscaping or other property from the public property affected.

D. Any person using or maintaining public property as allowed by this Section shall do so in a careful and prudent manner in compliance with all City ordinances and shall be responsible for any damages caused by their negligent acts or failure to act. (Ord. 3, §6(part), 1987)

The owners of the abutting property shall be civilly liable for the violation of any provisions of this Section by anyone injured as a result thereby and shall be civilly liable to hold harmless, defend and indemnify the City, its officers and employees on account of any claim made or adjudged against the City, its officers or employees on account of their failure to comply with the provisions of this Section.
